

Certificate of Presentation

We hereby certify that the work
**Characterization in frequency of a toroidal microtransformer built using
wirebonding and MCM technology**

by

**Fellype Nascimento, Antonio Carlos da Costa Telles, Marinalva Muniz Rocha and
Ricardo Cotrin Teixeira**

was presented at the XIV Workshop on Semiconductors and Micro & Nano
Technology, in Campinas-SP, held on April 11-12, 2019.

A handwritten signature in blue ink, reading "Jacobus Swart", written over a horizontal line.

Dr. Jacobus Swart
SEMIMATEC 2019 General Chair
