

Certificate of Presentation

We hereby certify that the work

Low complexity hardware for dynamic polarization separation

by

Alexandre Felipe

was presented at the XIV Workshop on Semiconductors and Micro & Nano Technology, in Campinas-SP, held on April 11-12, 2019.

A handwritten signature in blue ink, reading "Jacobus Swart", written over a horizontal line.

Dr. Jacobus Swart
SEMINATEC 2019 General Chair
