

Certificate of Presentation

We hereby certify that the work

**Magnetolectrical Transport Improvements of Postgrowth Annealed
Iron–Cobalt Nanocomposites: A Route for Future Room-Temperature**

by

**Marcos V. Puydinger dos Santos, Fanny Béron, Kleber Roberto Pirota, Stanislav
Moshkalev, José Alexandre Diniz and Ivo Utke**

was presented at the XIV Workshop on Semiconductors and Micro & Nano
Technology, in Campinas-SP, held on April 11-12, 2019.

A handwritten signature in blue ink, reading "Jacobus Swart".

Dr. Jacobus Swart
SEMINATEC 2019 General Chair
